01 Product overview

The APC AR100HD is a 13U NetShelter wall-mount enclosure that brings 19-inch rack space to places with no floor to spare - retail stores, clinics, classrooms and small offices. It measures 663 mm high, 584 mm wide and 631 mm deep and is a server depth model, taking rack-mount equipment up to 482.6 mm deep. That leaves room for compact servers and low-profile single-phase UPS units as well as networking gear.

The cabinet is double-hinged: the body swings away from the wall-mounted rear section, giving full access to the back of the equipment during installation and service. A lockable vented front door provides passive airflow. The door is reversible so it can open in whichever direction suits the location.

The steel enclosure supports 90.7 kg (200 lb) of equipment, offers IP20 protection and is compatible with APC NetBotz security and monitoring options. It ships fully assembled for quick deployment.

Complies with EIA-310-E; 5-year APC warranty.

HIGHLIGHTS

- 13U 19" wall-mount cabinet, 663 × 584 × 631 mm
- Server depth: equipment up to 482.6 mm deep
- 90.7 kg (200 lb) static load
- Double-hinged body for rear access, lockable reversible perforated door
- Ships fully assembled, IP20
- 5-year warranty

KEY SPECIFICATIONS

Manufacturer	APC by Schneider Electric
Model	AR100HD
Series	NetShelter WX Wall-mount
EAN	0731304111467
Height in U	13U
External dimensions (H × W × D)	663 × 584 × 631 mm
Usable equipment depth	up to 482.6 mm
Unit weight	42.7 kg
Mounting rails	19" EIA-310 mounting rails
Static load rating	90.7 kg
Front door	Perforated, lockable, reversible
Hinge design	Double-hinged (cabinet swings from wall section)

02 Full specifications

GENERAL

Manufacturer	APC by Schneider Electric
Model	AR100HD
Series	NetShelter WX Wall-mount

03 Engineered, delivered & supported by ServerInvest

Engineering & sizing

Selected and sized against your real IT load, room and redundancy targets.

Installation

Delivery, installation and commissioning by our engineers across Europe.

Certified processes

ISO 9001, ISO 14001 and ISO 27001 certified project delivery.

Service & support

Maintenance, spare parts and support from a single partner.
