01 Product overview

The Intellinet Basic Line wall-mount cabinet is a cost-effective 19-inch enclosure for protecting and securing network equipment in offices, shops and technical rooms. The housing is made of cold-rolled, galvanized SPCC steel up to 1.2 mm thick and achieves an IP20 protection grade, while the tempered-glass front door is reversible so it can open to either side in tight spaces.

Model 714150 is a 6U wall-mount network cabinet measuring 354 × 540 × 400 mm (H × W × D), finished in Grey RAL7035. Usable installation depth is 340 mm. Maximum static load is 50 kg. The front door is tempered glass and the cabinet is delivered flat-packed.

Basic Line cabinets ship flat-packed to save freight and storage space, and comply with ANSI/EIA RS-310-D, IEC 60297-2 and DIN 41494 parts 1 and 7, so any standard 19-inch patch panel, switch or shelf can be installed. Intellinet backs the product with a three-year warranty.

HIGHLIGHTS

- 6U 19" wall-mount cabinet, 540 × 400 mm
- Usable depth 340 mm
- Reversible tempered-glass front door
- Max. static load 50 kg
- Galvanized SPCC steel up to 1.2 mm, IP20
- Ships flat-packed, three-year warranty
